ANNOUNCEMENTS

MARK your calendars...Pickleball Windup is Sunday, **March 16th**. More info to follow on bulletin board or in an email this week.

COURT 1 & 2 - Have been painted with a white line to correspond to the height of the net. If the courts are not busy, you may like to practice drop shots, etc. Feel free to reserve the court and practice. Thanks to Pat and Neil for painting on the net height line!

P.S. We are looking into a pickleball machine that could be used to send us pickleballs just like the tennis ball machine. Keep tuned for future updates on this possibility.

New Pickleball channel - Jack has informed me that there is a new website where you can sign up to receive weekly information. <http://www.pickleballchannel.com> Check it out!

That's all for this week folks....keep positive, keep smiling and happy playing!
