### **PRESIDENT'S MESSAGE - EMBRACING CHANGE/GROWTH PROCESS**

The goal of every pickleball executive is to continually work towards enhancing the pickleball experience of every member of the MESA REGAL PICKLEBALL CLUB. One way of many in improving your pickleball experience is to slowly and formally introduce into our schedule "skill level play". This needs to be done by communicating in a positive way with the membership what this would entail and how it should be done.

After giving this considerable thought, I have realized that this season encapsulates a key aspect that needs to be addressed: **CHANGE/GROWTH PROCESS**.

For many of us change is something that we do not like, because we feel it is disruptive. Change forces us to shift our perspectives and/or our approaches about what we do and how we go about doing it. At the very least, it leaves us questioning our current assumptions and how close they really are to reality.

The unknown/change process asks us to venture into new areas of unexplored potential and opportunities. As adults in life's journey, we recognize how the challenges, opportunities, failures and successes that we have experienced over the years revealed a truth within ourselves about our ability to learn, to adapt and to grow.

As a member of your executive, my role is to encourage the membership to view change as an opportunity for growth and to gain a deeper understanding of our pickleball

capabilities. The question begs an answer, how do we help to move our club forward and accomplish our shared purpose of enhancing the pickleball experience of all of our members? "skill level play".

In future newsletters there will be updates as to what skill level play is and how different opportunities will present themselves on how we can incorporate it into our schedule.

I would like to encourage the membership to view the change/growth process for what it is ----the start of the next chapter in your pickleball experience.

Respectfully, Jake

*Success is a journey*

### **CONGRATULATIONS TO MRPBC PLAYERS**

The Venture Out pickleball tournament saw 12 Mesa Regal players competing. What a great experience for all of you to compete in a Valley tournament against other great players. Gold medals were brought back to Mesa Regal by Pete Ischi & Lionel Fauchoux in Men's 3.5 and by Jim Pelletier & Dave Morgan in Men's 4.0. Congratulations to you and all of our Mesa Regal competitors, you make us proud!

### **LADDERS START THIS WEEK**

Thanks to Cindy Phillips and Noella Johnson who have agreed to coordinate ladders starting this Wednesday for our club. If you are interested in playing in the ladders one day a week on Wednesdays, please sign up on the bulletin board by this Monday. Play will start this Wednesday morning and you are asked to be at the courts at **9:15** for court assignment. **PLEASE**, if you sign up **BE THERE**. It is difficult for the coordinators to have people drop out at the last minute and of course you are letting 3 other people down who you would be partnered with. **THANKS** to Cindy and Noella for coordinating ladders!

### **INTERPARK LEAGUE STARTS THIS TUESDAY**

Skill level play for 3.0, 3.5 & 4.0 players in the Interpark League starts this Tuesday from 6-8pm. Play will take place at Good Life (3.0), Towerpoint (3.0), Val Vista (3.5) or Mesa Regal (4.0) courts depending on your level. Team Captains (Eric Phillips 3.0, Dale Hartman 3.5, & Maurice Michaud 4.0) will contact those who have signed up to let you know where you will be playing. Be sure to arrive early at the Parks so matches can be started on time. Good luck to all our Mesa Regal club members who are participating in this league and thanks to Maurice for coordinating.

### **WHEN DID PICKLEBALL START AT MESA REGAL???**

Did you know that in 2007 John Bunnell and Gord Mierau played pickleball with Jack and Barb Betterley in an empty driveway/lot beside their park model at Mesa Regal? It seems that in 2007 pickleball was very new and there were no facilities here at Mesa Regal to play. In the fall of 2008, this group decided to line the volleyball court for pickleball so they had a court to play on. By fall 2009, Cal Am started improvements to the courts and by the Spring Mesa Regal had official pickleball courts.

The pictures below tell some of the story! It is hard to believe the converted volleyball court was even with the stage prior to the renovations.

Thanks to Gord & Jen Mierau, John & Kathy Bunnell and Jack & Barb Betterley for this superb history of pickleball at Mesa Regal. AND, a huge thanks to all of you for getting Cal Am moving on our pickleball courts!!

**That's all for this week folks.....keep positive, keep smiling and happy playing!**
